DIFFERENTIATORS

Excellent Client Relationships. In just eight short years, we've quickly built a reputation for excellence, procuring repeat business from our core customers and expanding relationships through federal agencies throughout the U.S. and abroad.

Top-Notch Staff. Team GoldenWolf is made up of a diverse mix of subject-matter experts. These agile problem-solvers bring decades of knowledge and real-world expertise to our culture of client-focused results.

Rest Easy; We'll Take Care of It. GoldenWolf develops technologies to alleviate your ongoing facilities management obstacles. The result? You can focus on your daily tasks while we maximize your onsite efficiencies.

Diversity Wins the Day. At GoldenWolf, we not only take pride in what we do, but who we are. Our company is proud to have two US Navy veterans at the helm, plus a staff that's made up of 30% veterans and 35% women.

“

GoldenWolf has been excellent to work with. They have excelled in many areas and made my job easy. They have also suggested ways to improve processes that we have implemented. I highly recommend GoldenWolf and would not hesitate to use them for future contracts.
